TIME: A measurable period having a definite beginning and end.

Time passes and events of the past school year are often remembered. Be it an embarrasing moment, a funny incident, conflicts with those who are close to us, or just sharing good and bad times with close friends. During this time there was spirit and fads and friendships and activities and sports and a multitude of good times that helped fill the period of time we called the 85-86 school year at San Marin.

Is taking time out for you
Doing what you want to do
Leisure means
Forgetting about obligations
Responsibilities, examinations:
Sometimes leisure
Is time spent all alone
Far away from the telephone
Other times leisure
Is doing it all
A night with the gang, having a ball
Leisure
Will leave you happy, carefree

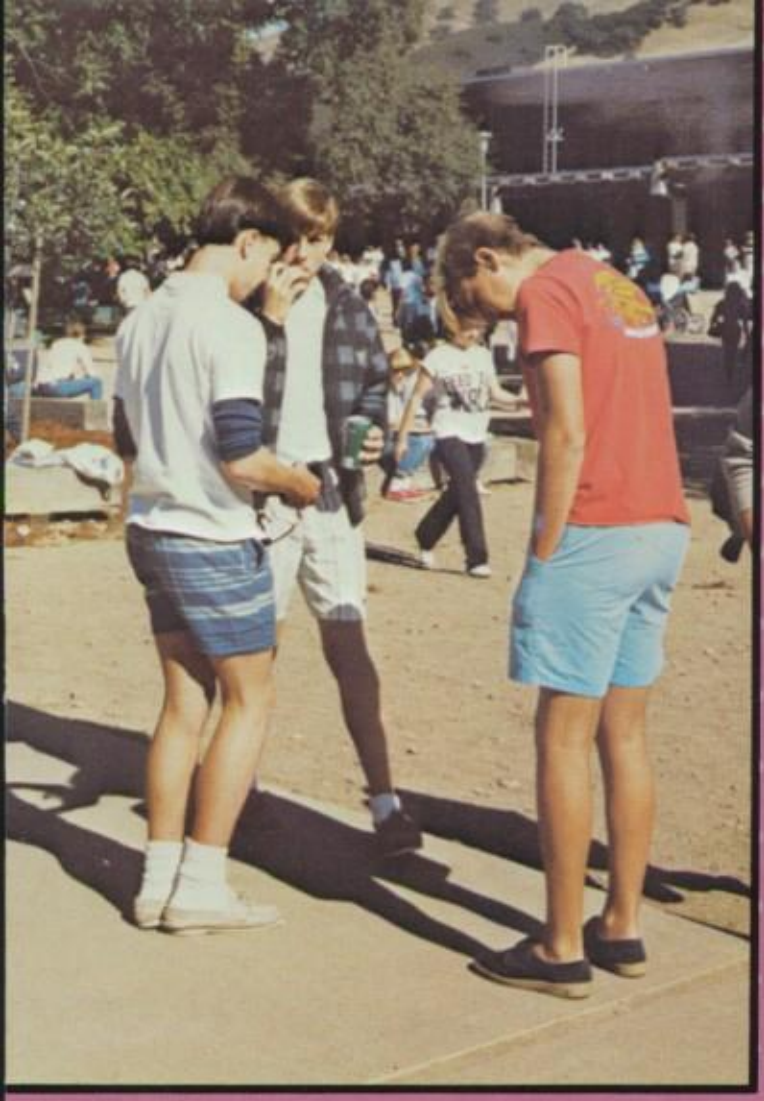
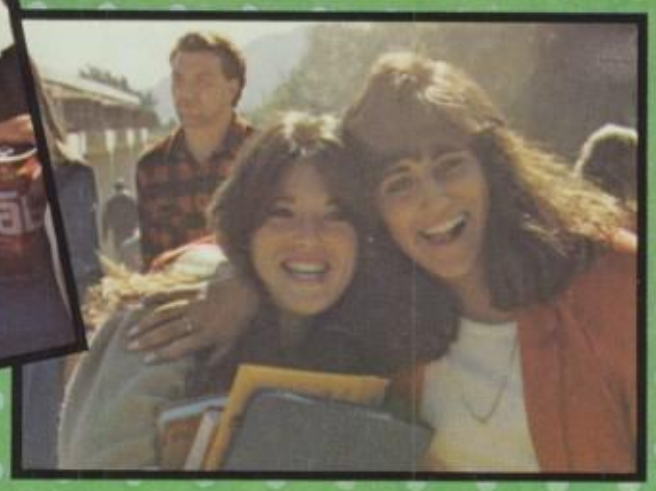
FRIENDSHIP

Friendship — what a word! It means so many things to so many people. Some people take it for granted while others treasure it with their lives. Sometimes we all may wonder "why bother?" The fact is most people really need friends. They need someone to be there through all the good and bad times associated with growing up. You have acquaintances, buddies, teammates, and a best friend. Your best friend is usually a trusted person who is always there when needed, and if you are lucky this friendship will last a lifetime.



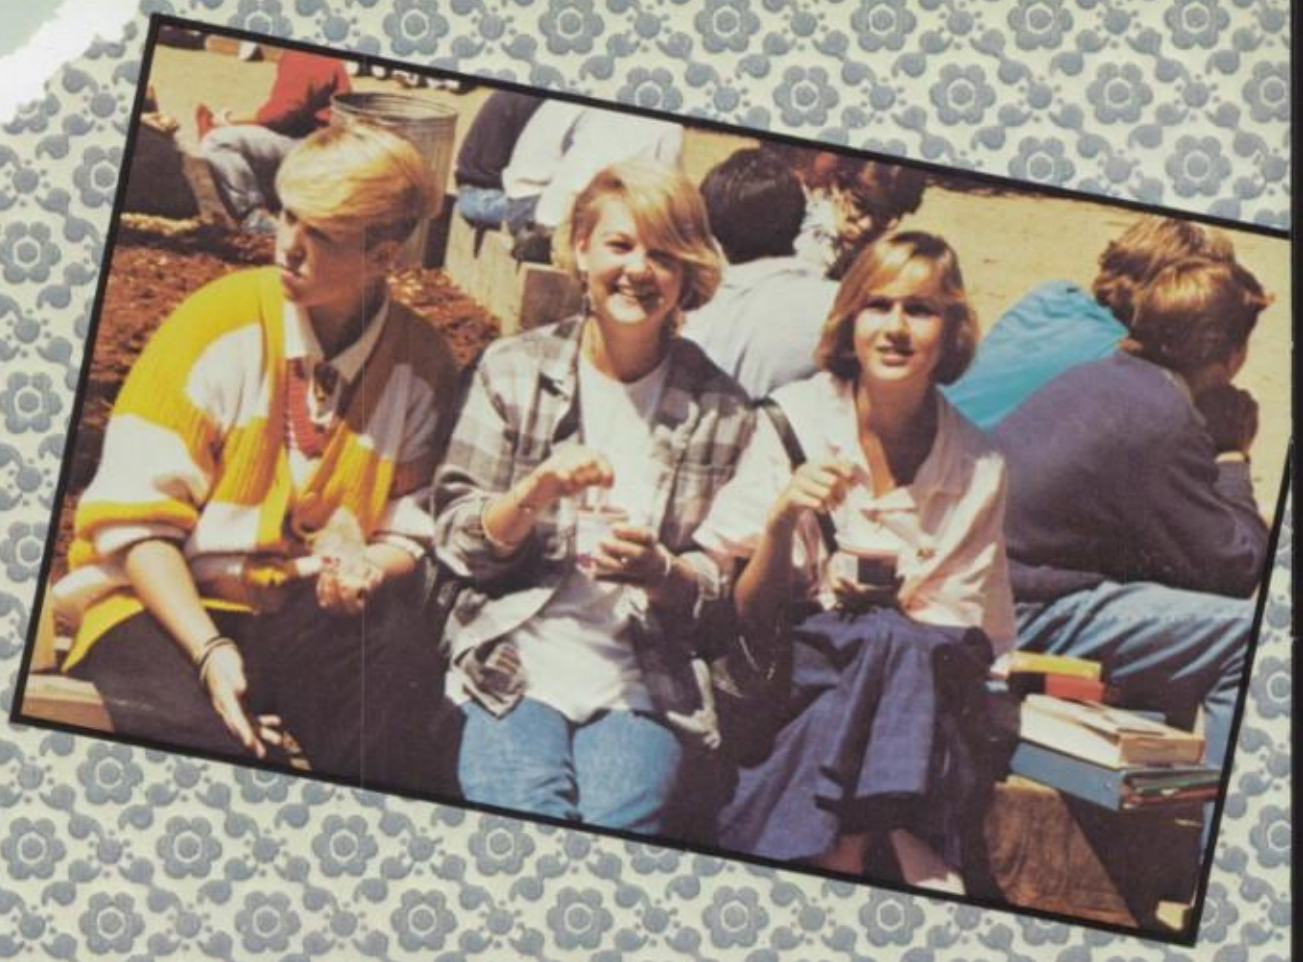
TRAVEL

SPIRIT IS . . .



What is school spirit? Is it a sense of pride, knowing that your school is the best. Is it the energy that results when your class works together to earn money, create a float, or yell loudest at a rally? Is spirit knowing that you are graduating with people you've known since you were five? Spirit is not just one event but is all of the experiences that let every San Marin student know that we are a part of something very special.

TRENDS



Plaid shorts, oversized clothes, short skirts, bracelets, Vans, lace stockings with heels, crazy haircuts, sports cars, fund raisers, Le Tigre shirts, top siders, Vuarnets, 4 wheel drive trucks, rhinestone jewelery, belts that don't hold anything up, rock T-shirts, jeans, cowboy boots, unlaced high tops, and who knows what else. Trends change with the times, having a beginning and end. What we think is really "in" depends on where we are on the time spectrum. A trend of today may be laughed at tomorrow. But for the time being, lets enjoy them. They are what makes us unique from teenagers of the past and of the future.

OUR FUTURE

When most of us think of "the" future, things such as spaceships, computers, and moving sidewalks come to mind. However, when we think of "our" future, we think of college, a career, and our dreams. At San Marin we are constantly reminded of our future by our grades, SAT scores, teachers, peers, and the goals and limits we set for ourselves. Whether we're interested in the arts, academics, or athletics we will remember San Marin as a time in our lives when we established the plans for our dreams and futures. Someday, somewhere in time, today's future will be tomorrow's present.

STUDENT GOVERNMENT

THE STUDENT COUNCIL HAS BEEN A TRADITION HERE AT SAN MARIN. THE STUDENT COUNCIL NOT ONLY TEACHES THE MECHANICS OF GOVERNMENT BUT ALSO COOPERATION AND, MOST IMPORTANTLY, RESPONSIBILITY. THE STUDENTS INVOLVED LEARN TO HANDLE RESPONSIBILITY AND PRESSURE. THEY WORK FOR THE BENEFIT AND IMPROVEMENT OF THE SCHOOL. STUDENTS LEARN TO WORK TOGETHER TO ACHIEVE GOALS THEY HAVE SET FOR THEMSELVES. THE STUDENT COUNCIL GIVES THE INVOLVED STUDENTS A SENSE OF PRIDE AND RESPECT FOR THE SCHOOL. THEY PLAN AND ORGANIZE SCHOOL ACTIVITIES AND EVENTS SUCH AS DANCES, SPIRIT DAYS, AND VARIOUS ITEMS FOR THE BENEFIT OF THE SAN MARIN STUDENT. THEIR COMMON GOAL IS TO MAKE THE SCHOOL A BETTER PLACE TO BE AND TO MAKE THE STUDENTS HAVE PRIDE IN THE SCHOOL BY DISPLAYING SCHOOL SPIRIT. THE PURPOSE OF HAVING A STUDENT COUNCIL IS TO HAVE INPUT FROM THE STUDENTS ATTENDING THE SCHOOL. THE OPINIONS OF THE MEMBERS OF THE STUDENT COUNCIL REFLECT THAT OF THEIR PEERS WHICH THEY REPRESENT. THE STUDENT COUNCIL IS PART OF OUR DAILY LIVES AT SAN MARIN, AND WE HAVE GROWN ACCUSTOMED TO THE BENEFITS WE RECEIVE FROM IT. WE OFTEN TAKE FOR GRANTED ALL THE HARD WORK THAT IS PUT INTO THE STUDENT COUNCIL, AND WE MUST LEARN TO APPRECIATE IT AND ALL THE ADVANTAGES IT GIVES US IN THE FUTURE.

Counseling Shortage

If you noticed that Mr. Campagna and Mr. Moody are constantly busy this year, it's because the counseling staff has been cut in half, leaving only two counselors for 1,300 students.

This year, it's going to be a lot harder to see the counselors. Instead of an open-door policy, there is a sign-up sheet in the office where you put your name and first period room number in a time slot. They will then send a pass to your first period class on that day so you can attend your appointment.

According to Mr. Moody, parents and students are going to have to get more involved. Students will have to be more aware of announcements, the newsletters and information posted in the career room. Information will be given more on a group basis and less on an individual basis.

"I'm concerned that we won't be able to conserve the quality of the service," Mr. Moody said.

Mr. Campagna agrees because there is much less time for personal relationships. "I'm worried about ever getting back to that personal level again."

The cuts were made because the school board is trying to save money and they feel counselors are more of a luxury service.

Budget

Last year, San Marin received $84,000 from the Novato Unified School District for the athletic program. This year, only $42,000 will be received as a result of the school district's budget cut. And as if the cuts weren't enough, the Supreme Court ruled that schools could no longer charge fees to students to play a sport.

However, a donation can be made to cover the prior cost of $50. This donation can also be written off as a tax deduction. But deduction or no deduction, San Marin will need money to support its need for new equipment, its superb coaching, and its top rate officiating. Other funding sources help, but these aren't enough.

Mr. Frauenhoffer, athletic director for San Marin, summed it up when he said, "We need cooperation from everybody." So please donate, and keep San Marin where it belongs in sports — on top.

Matt Hautau

Jog-A-Thon A Success

The San Marin Jog-A-Thon was a fund raiser for San Marin Athletics. The money will be used to purchase new equipment for the athletes at San Marin. The fund raiser, run by the San Marin Athletic Boosters Club, will net approximately $2600.

This is the first time that San Marin and Novato have made a joint effort to raise money for their athletic departments. The idea of this fund raiser was to get as many sponsors as possible and try to raise as much money as they could to cut down the expenses of the athletic fund.

Stolen Van Smashes Gym

"Police were on the scene when I arrived," explained Mr. Hank Moroski, "the van was completely inside the building." Early on the morning of Nov. 3, a van stolen from the Novato Lock and Key company had smashed through the new building behind the gym. It had just missed the girl's locker room and created a gaping mouth of approximately 10 feet by 8 feet into the nearly completed classroom.

Apparently, a lock was cut at the gate around the tennis court area. Then the van was driven up near the smoking section on the hill and presumably raced towards the girl's locker room. Its steering wheel was tied to the seat while a concrete block was set upon the accelerator, forcing the van to travel 180 feet before impact.

The result was the hole: a 15-19 foot crack up the side of the building, five knocked out wall joists, and a groove, cut into a section of the sidewalk, that encircles the girl's locker room.

According to the Novato Advance (Nov. 6 issue) a jogger reported hearing and then finding the van completely inside the building that Sunday morning at 6:40 a.m. Six thousand dollars worth of assorted keys, lock parts, and door-opening equipment was stolen from the van.

Mr. Moroski hopes reconstruction of the damage will be completed by the second semester. He explained that the building is not yet owned by the school district, and as a result, is under the responsibility of the building contractor's insurance policy.

The motive behind the action is unknown and is still being investigated. Why did it happen? Who did it? San Marin may never find out. If you have any knowledge of this terrible event, please notify someone in the office or the Novato Police.

Disappointed Mustangs Look Back

Unlike the teams of the past, this year's San Marin Varsity Football and Soccer teams didn't live up to their expectations. Some members of the teams were asked, "If you had the season to do over again, what would you do differently?" Their responses were as follows:

Henry Hautau (Varsity Football) — "I would've tried to have more fun. In our first few games, no one was having a good time. But during the MC game, even though we lost, we had a good time, at least I did."

Matt Bonner (Varsity Soccer) — "We (the team) would have worked harder and gotten into better shape to prevent the injuries that really hurt us this season."

Mickey White (Varsity Soccer) — "I would have gotten more jacked for the games and been more aggressive."

Terry McBroom (Varsity Football Coach) — "Nothing, really. We did the best we could; there were just too many injuries."

Bob Rasmussen (Varsity Soccer) — "I would have shaved my head. Seriously, we should have started earlier and practiced more intensely."

Everyone knows the hands of time can't be turned back, but what if just this once. . .

Mustangs Honored

Viacom Cablevision, which covered selected games of the 1985 MCAL season, announced their All-League Team on November 16. Three Mustangs were selected to both the offensive and defensive squads. The players and positions are as follows:

OG - Scott Robinette, OT - Todd Schultz, TE - Shawn Moss, DL - Bruce Watson, LB - Dan Freeman, DB - Steve Giacomini.

Tamalpias High School's Kolya Hardy was given Viacom's "Player of the Year" Award.

Football Team Haircuts
Trendsetting?

You may have noticed several of the football players here at San Marin walking around without much hair. After suffering four disheartening losses, the team felt a need for unity. Their solution? Haircuts! Now the jocks look like skateboarders, only bigger!

The idea emerged from the now hairless J.V. squad. Scott Kerr and Shawn Maloney were the two instigators of the new trend. The two, on Friday, November 8, went downtown to Lee's Barber Shop and had their heads shaved. When they returned to school at lunch, it prompted a wave of J.V. and Varsity gridders, alike, downtown toward the barbershops.

When asked why he decided to shave his golden locks, Scott Kerr, the popular trendsetter, replied, "I wanted to get jacked for the last two games and I also did it because I wanted to have short hair." These were the main reasons echoed by all who had their hair cut, but one Mustang, whose new hairdo was a flattop, felt he had his hair cut for the upcoming basketball season.

No matter what their motive, their scheme worked. The pumped up Varsity squad won their last two games, outscoring their opponents 47-11.

You may think "What a novel idea!" but S.M. wasn't the first group to perpetrate this plan. The Terra Linda Trojans shaved their heads to show their dedication for their team and in their league opener defeated the soon to be MCAL Champions, Marin Catholic Wildcats.

Just think what would've happened if San Marin's shaved melons were shorn before the Novato game.

Alcohol Survey

The San Marin Journalism class investigated the drinking habits of students here at San Marin. Although many of the statistics compiled were hardly surprising, a few were not expected.

One hundred and four girls were surveyed while ninety three boys were questioned; of the 197 students there was a surprising 149 yes' to the question "Do you drink?" This statistic indicates that an overwhelming 3 out of 4 students drink here at S.M.

Taking the question a little farther, we asked "How often do you drink?" Of the 149 who did drink, 64% drink occasionally while the other 35% drink every weekend. Only 2 students answered that they drink daily.

The most popular forms of alcohol were beer and winecoolers, beating out hard alcohol by over 50%. 28% of the people who said they drink, drink both hard alcohol and beer or wine coolers.

When asked, "How do you obtain your alcohol?" an eye opening 14% said their parents supply them with it. 38% get it from an underaged friend, 41% get it from a legal aged friend and the remaining 7% buy it themselves.

So far, between the girls and boys, there was little difference between the number of different answers. But in the section where the S.M. students were asked "Have you ever driven drunk?" only 16% of the girls had driven under the influence while an eye opening 30% of the young men have driven drunk.

Although only 76% of the people who were questioned said they drank, 43% said they know someone at S.M. who has a drinking problem.

Most of the statistics gathered in this story may not be unusual for a high school of the 1980's — but if 43% of the San Marin student body, or even half of that number, has a drinking problem, then alcohol is definitely a major problem and something should be done to curtail its extensive use.

Parents' Perspective

Parents of today's teens are faced with a controversial issue: teenage drinking. Alcohol consumption among teenagers is more frequent today than in years past. Even though underage drinking is against the law, many teens ignore the legal side of the issue and care only about having a good time.

Opinions concerning teenage drinking will differ from parent to parent, depending on the circumstances. However, all parents seem to have strong opinions.

The opinions of some Novato parents are as follows:

"Kids don't know how to drink. They only drink to get drunk, and that's when people get hurt."

"Drinking in moderation is OK. My main concern is drinking and drving."

"I'm basically against teen drinking. I think drinking a little at home is OK, but not at parties. I feel teens lack the maturity to handle drinking."

"I am opposed to drinking, but what can I do? I have to rely on his/her judgement."

Although parents' opinions differ, one constant is that the largest fear is teens drinking and driving.

THIS HAS BEEN A GREAT YEAR FOR ROCK & ROLL.

The music was everywhere. Live Aid's worldwide telecast and Bruce Springsteen's massive tour brought the best of rock & roll to a wider audience than ever before. This year, it became clear that rock not only is an essential part of our culture but speaks for social good. ■ While the would-be censors took their crusade to Capitol Hill, rock & rollers turned the music's influence and energy toward positive change. And they did it their way. Bob Geldof showed that a benefit for a worthy cause can also be a great concert. The passionate performances at Live Aid – from U2's "Bad" to Mick Jagger's duet with Tina Turner – carried it off, in the rock & roll tradition, with high energy and style. ■ In a field dominated by young white males, Tina's success and survival is especially noteworthy. For three decades she had contributed to rock's body and soul. At the age of forty-seven, she came back, bigger than ever. The breakthrough of talented new groups like Los Lobos, Tears for Fears and Lone Justice likewise demonstrates that rock & roll is a musical form capable of stretching its boundaries and continually regenerating itself. ■ Other musicians, inspired by Bob Geldof's zeal, set high standards of social and moral commitment. The strength and success of Steve Van Zandt's *Sun City* album put teeth into the United Nations' four-year-old cultural boycott of South Africa and made it impossible for any pop-music artist of conscience to perform there. ■ The power of rock & roll will never again be underestimated. Television fell under its spell and, in part, was recast in its image. Moviemakers learned the desirability of a rock & roll soundtrack for box-office success. And Madison Avenue, for better or worse, finally woke up to the music's universal appeal. ■ But we are proudest of artists like Bruce Springsteen, whose social commitment is inseparable from his music. In the tradition of Woody Guthrie, he has given us both a warning and a reason for optimism. "Take a good look around," he sings. "This is your hometown." ■ Those who attacked the music this year should have been listening instead of talking. Indeed, it is sweet irony that Bob Geldof, former music critic, journalist and rock & roll renegade, is the odds-on favorite to win the 1986 Nobel Peace Prize. ■ It's only rock & roll, and we're proud of it. ■

THOUGH ROCK TENDS TO BE THE MOST POPULAR TYPE OF MUSIC AMONG TEENAGERS, SAN MARIN REVEALS A BROAD VARIETY OF SOUNDS — FROM COUNTRY TO PUNK; FROM JAZZ TO "NEW WAVE." STUDENTS ARE OFTEN LABELED ACCORDING TO THEIR MUSIC PREFERENCES. ALL ONE HAS TO DO IS WALK AROUND THE CAMPUS AND LOOK AT THE VARIOUS CASSETTES THAT OCCUPY STUDENTS' WALKMANS TO FIND MUSIC AS UNIQUE AS THE PERSON WHO LISTENS TO IT. THOUGH MANY TEACHERS "FORBID" WALKMANS IN THEIR ROOMS, STUDENTS FIND TIME, WHETHER IT'S IN BETWEEN CLASSES OR AT LUNCH, TO GET THEIR RDA (RECOMMENDED DAILY ALLOWANCE) OF "THEIR" MUSIC. AFTER ALL, MUSIC IS PART OF GROWING UP. THE MUSIC OF TODAY IS THE MUSIC OF OUR GENERATION. SO LET THE GOOD "TUNES" (AND TIMES) ROLL (AND ROCK) ON.

BOHEMIANS

THROUGHOUT THE LAST YEAR THE BOHEMIANS, A LOCAL GROUP, HAS BECOME INCREASINGLY POPULAR. THEIR UNIQUE MUSIC AND STYLE (THOUGH NOT EASILY CATEGORIZED) DRAWS STUDENTS ON FRIDAY AND SATURDAY NIGHTS TO THEIR PERFORMANCES AROUND MARIN. THOUGH THEIR MUSIC IS LABELED "MOD" OR "NEW WAVE" BY SOME STUDENTS, EVERYONE SEEMS TO ENJOY IT.

Fanatic Fans Rock The Barn

Look around you! You see waving towels, confetti flying everywhere, screams and chants flying back and forth across the court, not to mention the posters and colorful signs. Basically chaos.

If you have had a chance to visit the San Marin gym, the Barn, during a basketball game this season, then you recognize this scene. If not, then you're missing a lot of fun.

The participants in this public spectacle are normal, everyday students at San Marin who are finally given a chance to "let their hair down," and they're making the most of the opportunity. It almost appears that the actual basketball game is secondary to the crowd activities.

Much to the despair of the janitor, over sixty pounds of confetti has been flung into the air during San Marin's home games. The individual who is responsible for the confetti wished to remain anonymous but said, "I use the shredding machine at work and can easily turn out twenty pounds a night."

These fanatics have come up with other creative ideas like San Marin's version of the terrible towel, clever chants, cheers, yells and screams between rival crowds, and exquisitly done signs that depict our players with players from the NBA. We must not forget the occasions on which these warm hearted people decided to poke a little fun at individuals from opposing teams who posses outstanding characteristics. For instance, cheers of "Schnoz" rang out as a player with a particularly large nasal appendage took a shot. Another example is one chant of "Frig" was directed at a particularly massive player.

By the way, in case any of you are interested, the basketball team (remember those are the guys you are supposed to be cheering for) is doing reasonably well this year and it is well worth your effort to come see them. It's a great chance to have a little fun and act a little silly. You also don't have to worry about looking strange because the guy or girl next to you is bound to look even stranger.

New Classrooms

One year after the Board of Trustees' approval and $300,000 later, San Marin finally has the extra classrooms it has needed so badly.

Located behind the gym, the four new classrooms provide San Marin students with some breathing room. Before the classrooms were constructed, conditions in the classroom were crowded. The faculty lounge and the library had to be used for classroom purposes due to the lack of space.

How did the new classrooms come about? It wasn't as easy as you might have thought. It got started when superintendent Franklin asked San Marin to conduct a "space utilization study" to detect any needs for physical facilities. Franklin studied the findings and made the recommendation for an addition to the Board Trustees. The Board then approved the recommendation and construction soon started.

Both teachers and students appreciate the good condition the classrooms are in and the extra space they provide. They are ours to enjoy and it is also our responsibility to keep them in good condition.

Computer Brings Many Changes

The Novato Unified School District's new computer, a Hewlett Packard mainframe, will result in many changes at San Marin.

On Monday, February 3, a new attendance procedure was implemented. Teachers are now submitting computer-scanned roll sheets each period. Also, instead of the yellow and pink absence lists, every student who is absent must have a readmit before he is admitted to class.

In addition, the new computer will allow the counseling department to keep track of students more easily. All of the scheduling and printing of locator cards, report cards, address labels, class lists, etc. will now be done in Novato instead of being sent to a computer company.

FOOTPRINTS

One night I had a dream. I dreamed I was walking along the beach with the Lord. And across the sky flashed scenes from my life. For each scene, I noticed two sets of footprints in the sand. One set belonged to me, and the other to the Lord.

When the last scene of my life flashed before us, I looked back at the footprints in the sand. I noticed that many times along the path of life, there was only one set of footprints. I also noticed that it happened at the very lowest and saddest times in my life.

This really bothered me and I questioned the Lord about it. "Lord, You said that once I decided to follow You, You would walk with me all the way. But I noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why in times when I needed You most, You should leave me."

The Lord replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

Mark,

Well I wasn't going to write in your year book this year, but you are in Hawaii and I am at your house swimming with Katie and I am missing you alot! Oh man and its only bin 3 days since youve been gone you are still going to be gone 7 more days. I am so glad we met because if we didnt my life would be so different. I was thinking about if I didnt meet you what I would be doing and how my life would be different and I came to the conclusion that it is better that I met you. I was also thinking about how things are going to change now that you are ~~going~~ out of school and are going to move out of your house soon. Well wether we stay together is entirely up to you, but its not I will alway love you and I will always be your friend. I will help you with your new home to, I can help decorate and garden (if you like were there is a garden) and I can clean and do you laundry for you every now and then. "Ok" God I cant waite till you get back from Hawaii and if I don't get a postcard you can forgot everything I said nice. Well I am going to be tan when you get back I hope. I miss you.

I love you very much (I think) (I guess) (I am prob sure) and (ya I guess I do)

Cross Country Wrap Up

The San Marin Cross Country team, which sported no seniors, had their "best season as a group ever," according to coach Paul Ferreboeuf. With Cliff Kerr leading the way for the Varsity squad, Kate Deisseroth for the girls' team, Andy Kayser for the J.V. boys, the overall record for all three teams was 15-6.

The varsity team, with a 5-2 record, placed third in MCAL behind Cliff Kerr, who placed third in the County and fifth in North Coast. The girls placed third in the County meet, sporting a 4-3 record. Kate Deisseroth led the way with a sixth place finish in the MCAL meet. The boys J.V. were tri-champs with Redwood and Terra Linda. They accumulated a 6-1 record with Andy Kayser placing eighth in the MCAL.

Mr. Ferrebeouf, predicted that next year they'll have "a good chance to win."

SPIKERS WIN

THE SAN MARIN GIRLS' VARSITY VOLLEYBALL TEAM, COACHED BY CHRIS SAY, HAS HAD A VERY SUCCESSFUL YEAR SO FAR. THEIR RECORD IS 5-4 AND THE TEAM HAS DONE BETTER THIS SEASON THAN IN THE PAST. KATHY WESTFALL LEADS THE SQUAD THIS YEAR, ALONG WITH ALICIA AND KRISTINA MINUTOLI, DENISE BUNDESEN, JEANIE DERANLEAU, CINDY TONG AND KELLE McNAUGHTON. KRISTINA MINUTOLI, A SENIOR WHO IS ONE OF THE TOP PLAYERS, IS THE TEAM CAPTAIN THIS YEAR. COACH SAY FEELS THAT THE OTHER PLAYERS ARE DEFINITELY NEEDED AND CONTRIBUTE IMMENSELY TO THE SUCCESS OF THE TEAM. SHE IS ALSO VERY IMPRESSED WITH THE WAY TEAM MEMBERS HELP EACH OTHER OUT. ON OCT. 11 THE TEAM DEFEATED NOVATO IN TWO GAMES. THE MUSTANGS SLAUGHTERED THE UNDEFEATED TERRA LINDA TROJANS ONCE AGAIN IN TWO GAMES ON OCT. 22. OTHER VICTORIES INCLUDE TWO MATCHES AGAINST TAMALPAIS, TWO AGAINST DRAKE AND A WIN AGAINST SAN RAFAEL WHERE KRISTINA MINUTOLI, WESTFALL, McNAUGHTON AND DERANLEAU WERE PRAISED FOR THEIR PLAY.

IF THE TEAM CONTINUES ITS WINNING WAYS, IT SHOULD BE COMPETING IN THE MCAL CHAMPIONSHIPS WHICH BEGIN ON NOV. 13 AT TERRA LINDA HIGH SCHOOL.

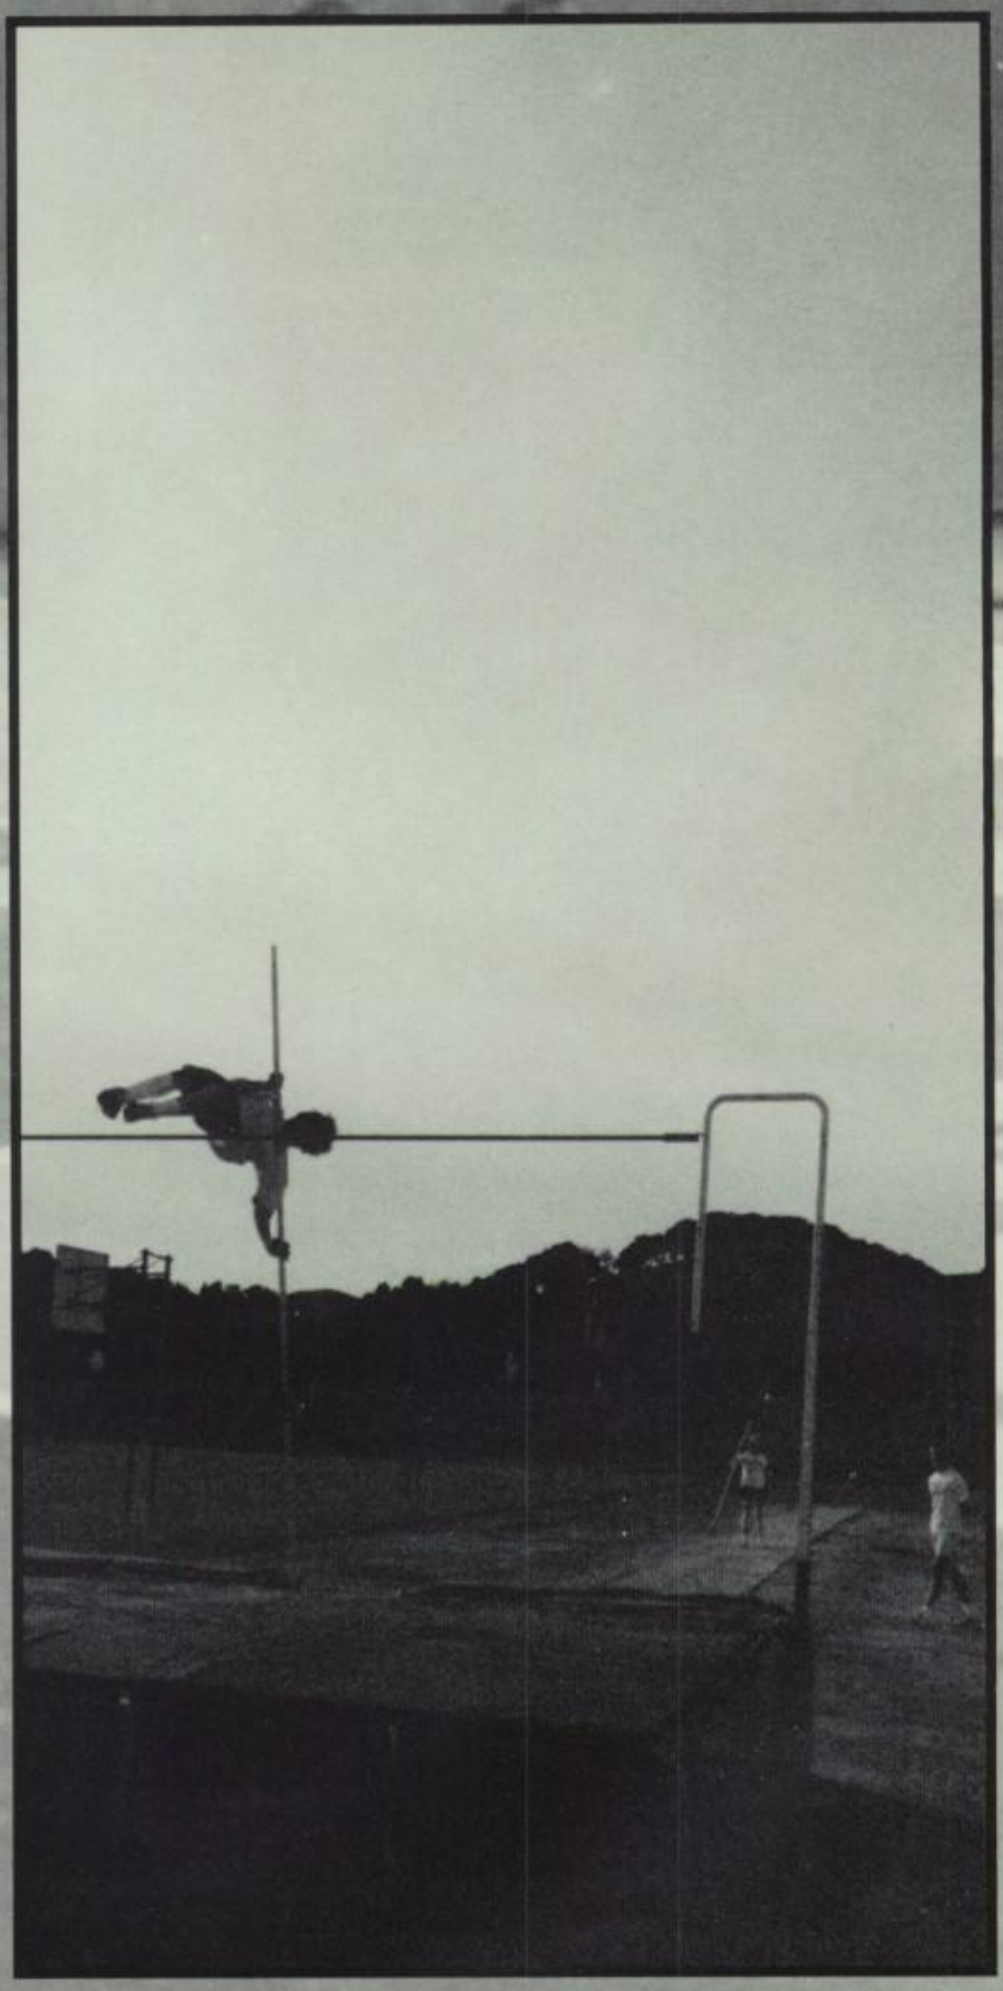
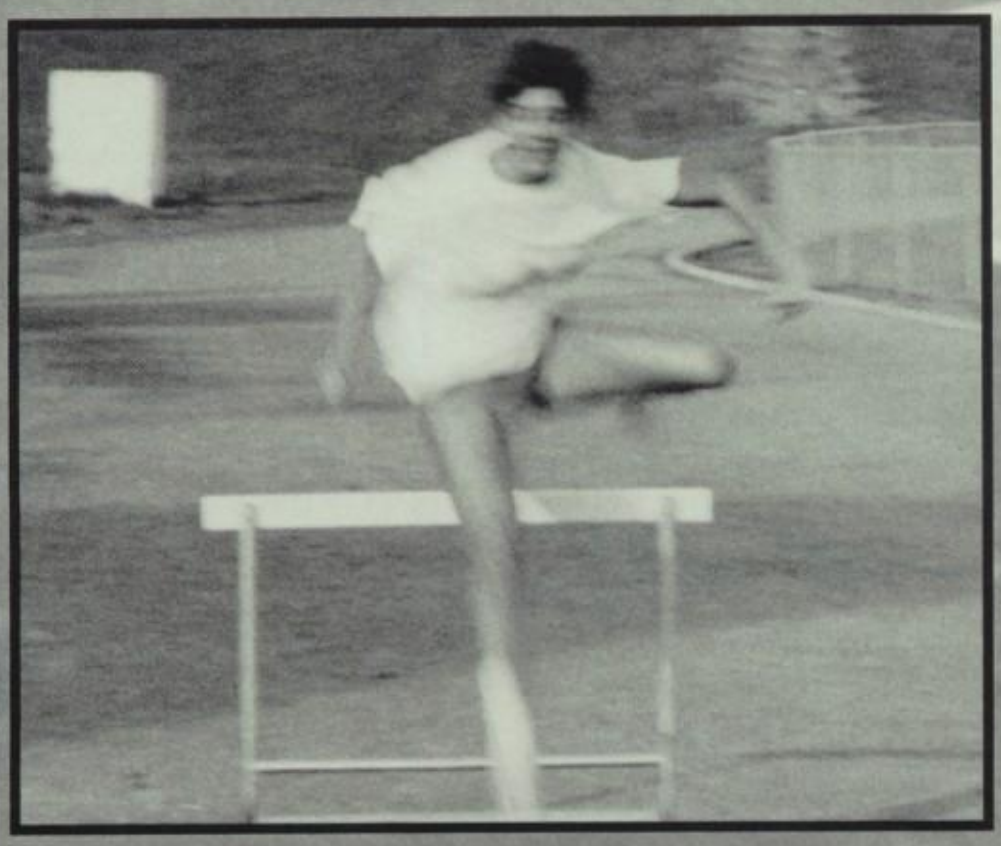
TEEING OFF ON GOLF

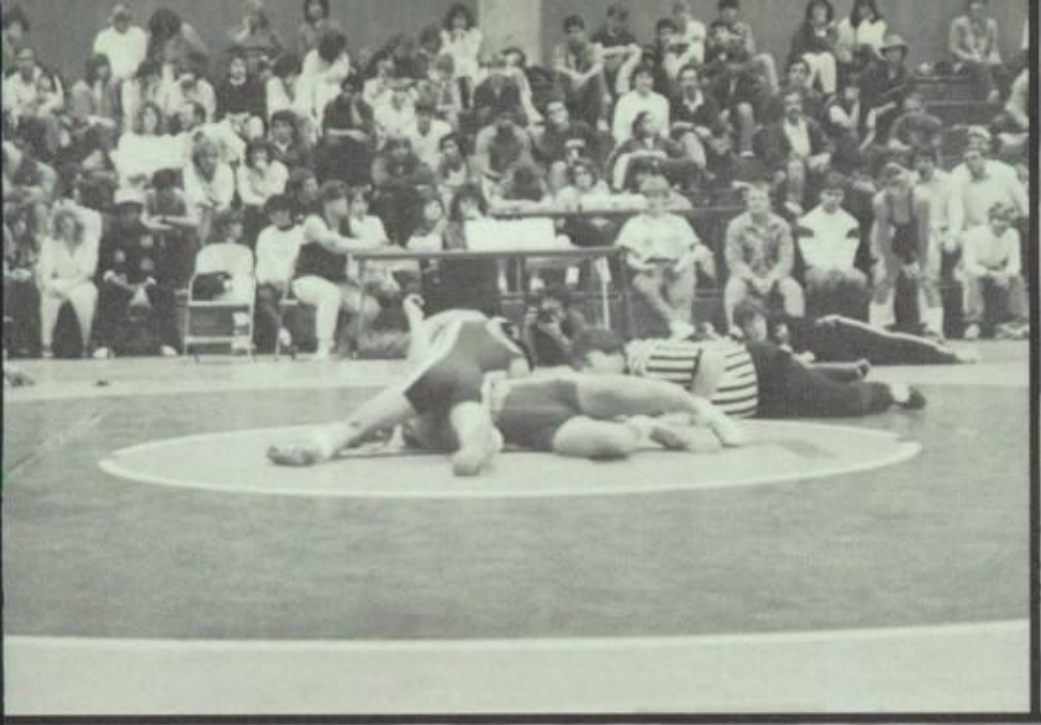
THIS YEAR MR. FRAUENHOFER IS THE COACH FOR THE TEAM AND HE SAYS THAT THIS YEARS TEAM IS VERY YOUNG AND INEXPERIENCED. IT'S A BUILDING YEAR FOR THE GUYS AND THEY ARE OPTOMISTIC. THE BEST PLAYERS FOR THIS YEARS GOLF TEAM ARE NICK DIAMOND AND ROSS SARGENT. ONE OF THE PLAYERS ROSS SARGENT, COMMENTED, "THIS YEARS TEAM IS BETTER AND HAS A BETTER UNDERSTANDING OF GOLF."

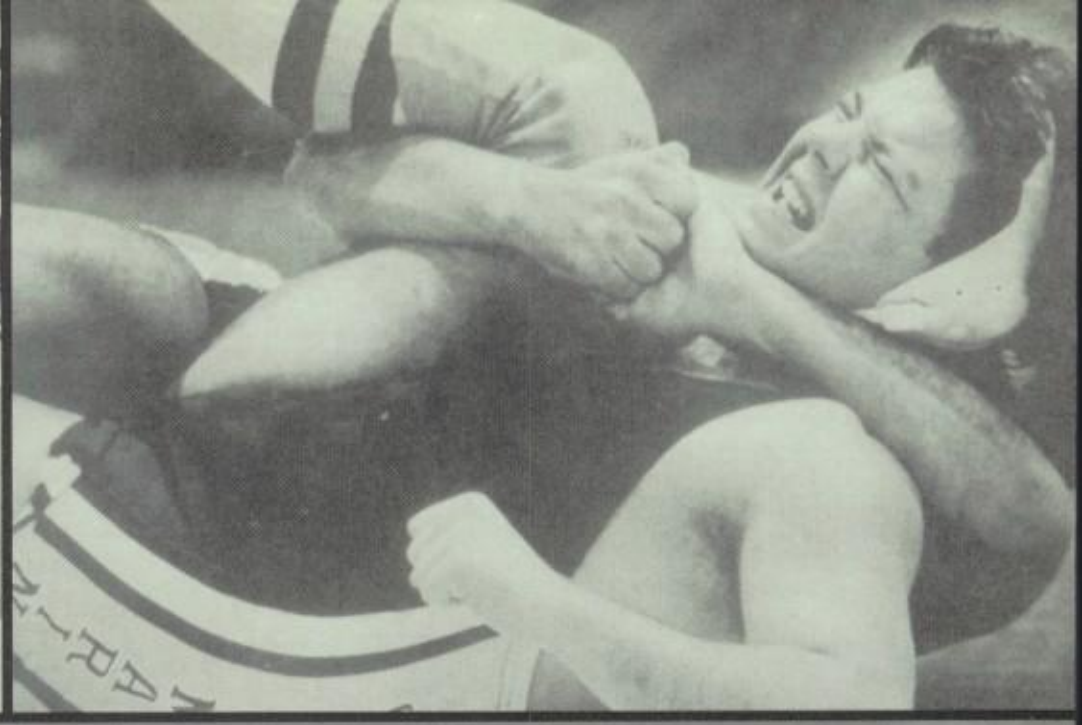
GILL

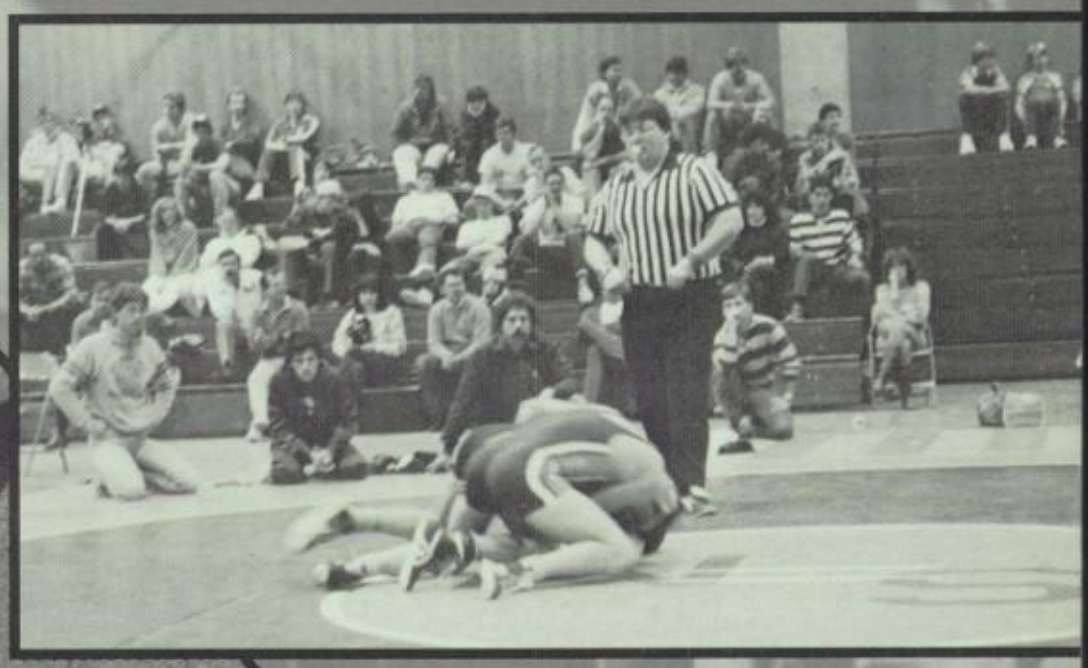
THE TRACK SEASON THIS YEAR LOOKED PROMISING. IT WAS COACHED BY MR. PAGE, MR. ZECHLIN, AND MR. SIMI. DUE TO THE HEAVY RAINS OF FEBRUARY THE TRACK SEASON WAS LATE STARTING BECAUSE THE TOP LAYER OF THE TRACK WAS WASHED AWAY, LEAVING ROCKS, WHICH COULD HAVE CAUSED INJURIES. THE FIRST CHANCE TO COMPETE AGAINST ANOTHER TEAM WAS THE MCAL RELAYS ON MARCH 8, 1986, WHICH WERE HELD AT COOLEGE OF MARIN, WHERE SAN MARIN MADE A GOOD SHOWING. THIS YEARS TRACK INCLUDED LONG DISTANCE AND SHORT DISTANCE RUNNING, AND FIELD EVENTS.

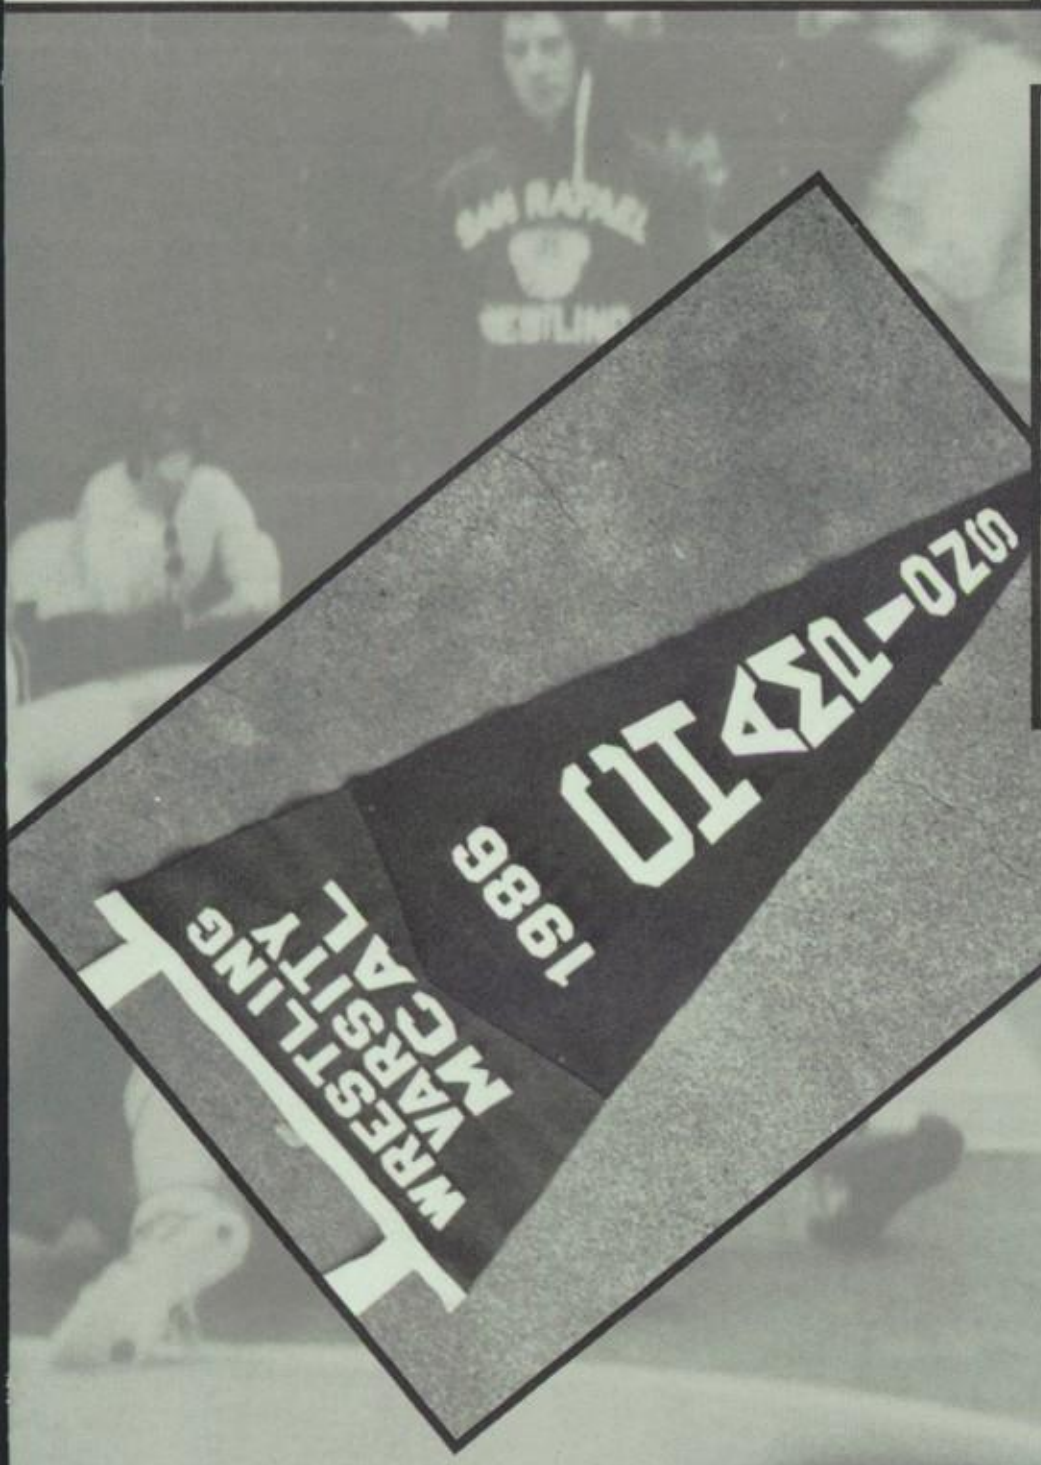












KELLEHER'S STAMPEDE

The hills were still green, and numerous puddles lingered, but baseball season was right around the corner.

As in every sport, fans, players and just curious people wondered how the team would shape up for the up-coming season.

Second year Varsity manager, Ray Kelleher, was asked to evaluate his team, then in the early going.

Coach Kelleher's main goal this season was obvious. He wished to make the playoffs and possibly win the title.

Kelleher was priveleged to have an equal balance of veterans along with a good crop of youth. "The team's strongest points were defense, speed (on the bases) and a good offense.

Because of the returning experience, Coach Kelleher was planning on running more complicated plany amongst the infielders. This limited the opposing team from getting the extra base.

Although many veterans played a lot last year, not many of them did any pitching. Coach Kelleher said, "I want the pitchers to work hard in the pre-season and if we (the team) can get by the tough competition scheduled, I think we will do fine in league play."

Coach Kelleher has worked with this year's Seniors for four consecutive years. When asked if this season had any sentimentality assigned to it, Kelleher stated, without hesitation, "Yes, I have enjoyed working with this group because they are hard workers and a pleasure to coach."

Novato, Terra Linda and Marin Catholic made up the tough competition for the Mustangs. Mr. Kelleher led his team straight to the top.

YOUTH TEAM SEEKS TITLE

AS THE BEGINNING OF ANOTHER SOFTBALL SEASON APPROACHES, COACHES WALT LOUIE AND KATHY MOORE FEEL VERY OPTIMISTIC ABOUT THE VARSITY 1986 SOFTBALL SEASON. KRISTINA MINUTOLI FEELS THAT ALTHOUGH THE TEAM IS QUITE YOUNG BEING THAT THERE ARE ONLY THREE SENIORS, DAYNA TIZIO, KRISTIN NOLAN AND KRISTINA MINUTOLI THEY SHOULD STILL FARE QUITE WELL WITH THE MANY AGGRESSIVE JUNIOR PLAYERS. SHE SAYS THAT IF THE TEAM CAN WORK WELL TOGETHER THEY SHOULD HAVE A VERY SUCCESSFUL SEASON AND POSSIBLY EVEN COME AWAY WITH AN MCAL TITLE.

The Season That Wasn't

The '85 Varsity Football season was a disappointment. Once ranked as high as 7th in the Bay Area, the Mustangs had problems early in the season that would have been tough for any team to overcome. Injuries dealt a blow to the Mustangs from which they never fully recovered. Chris Gauer and Todd Schultz were among the injured players who would have made a difference.

The Mustangs opened their season with a victory over the Drake Pirates, but things went down the hill from there.

The Mustangs lost an important game the following week to the Novato Hornets. This game was a beginning of a four game losing streak in which the Mustangs scored a grand total of 12 points.

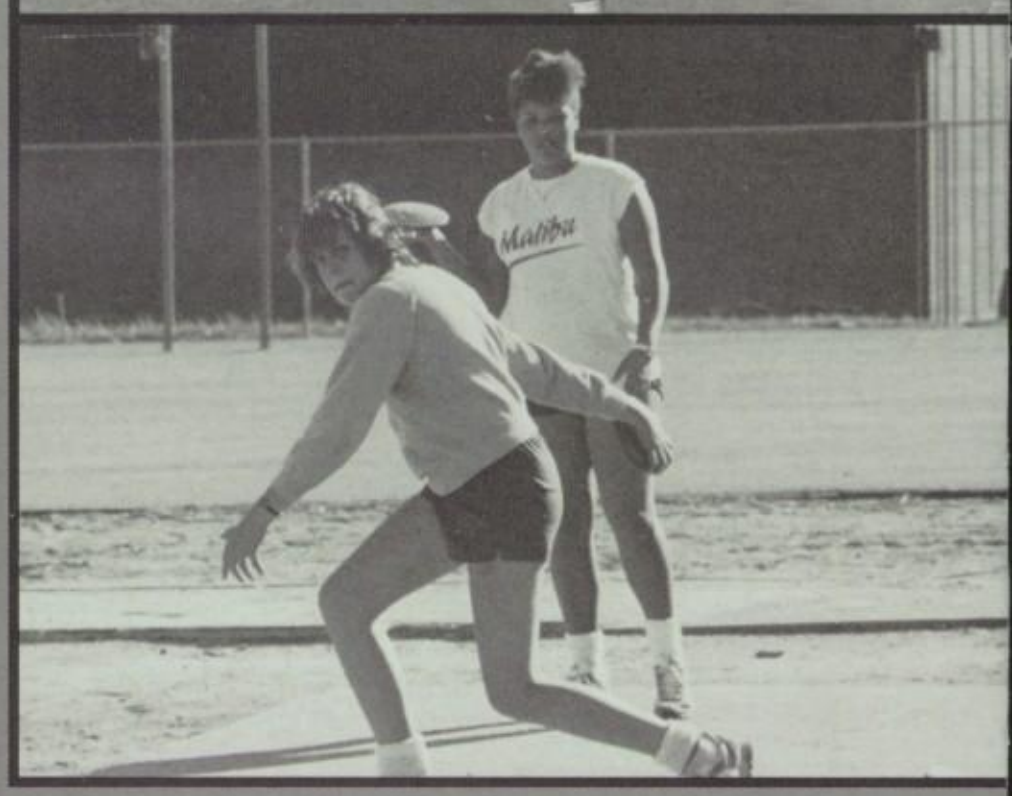
Going into the last two games of the year, the pressure was off and it was time to have fun. With the help of some new haircuts and a resurrected offense, San Marin soundly defeated the Terra Linda Trojans 0-7, and Tam 22-6 to finish the season with a record of 3-4 in league, and 5-5 overall.

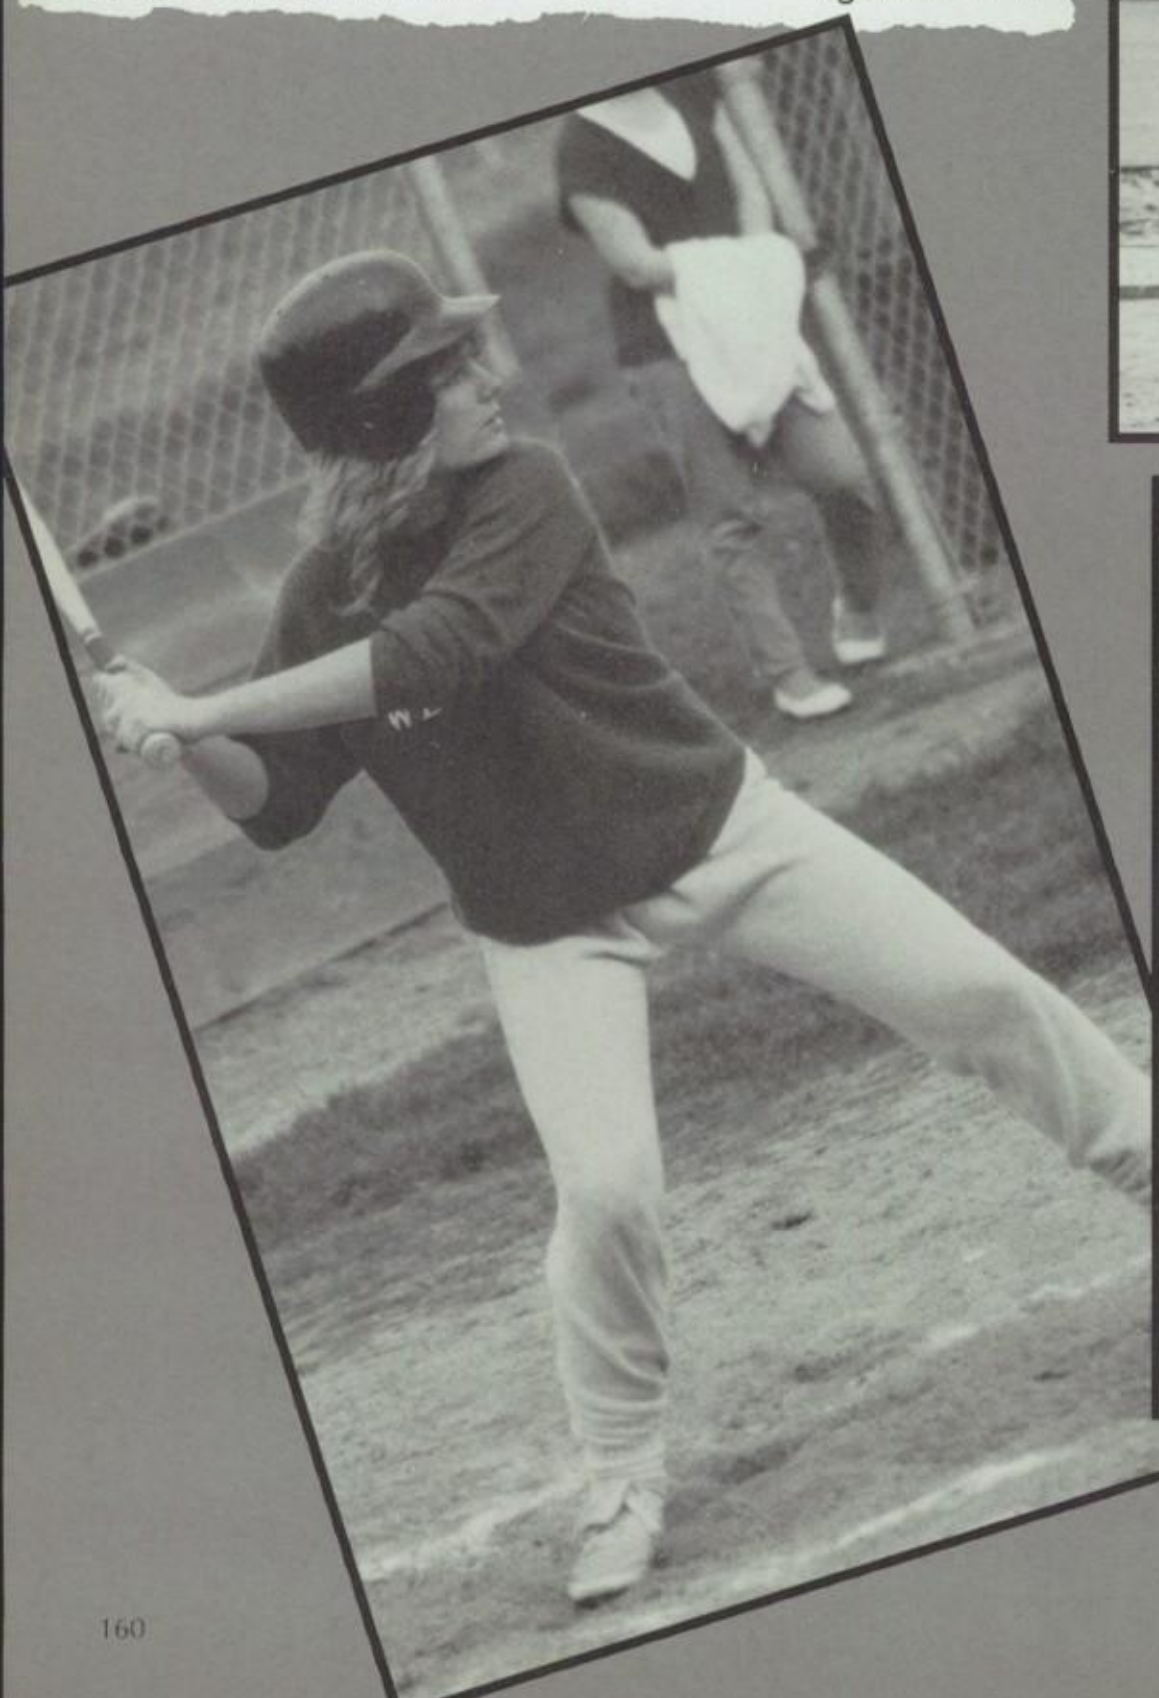
There were many bright spots this year. Jeff Nicolai, playing a position he hadn't played in six years, stepped in and quietly became one of the leading rushers in the league. Scott Robinette, Bruce Watson, and Todd Schultz worked hard and played well all year long. Dave Smith, Henry Hautau, Steve Giacomini, and Ken Dewald helped form a stubborn secondary that proved itself time and time again.

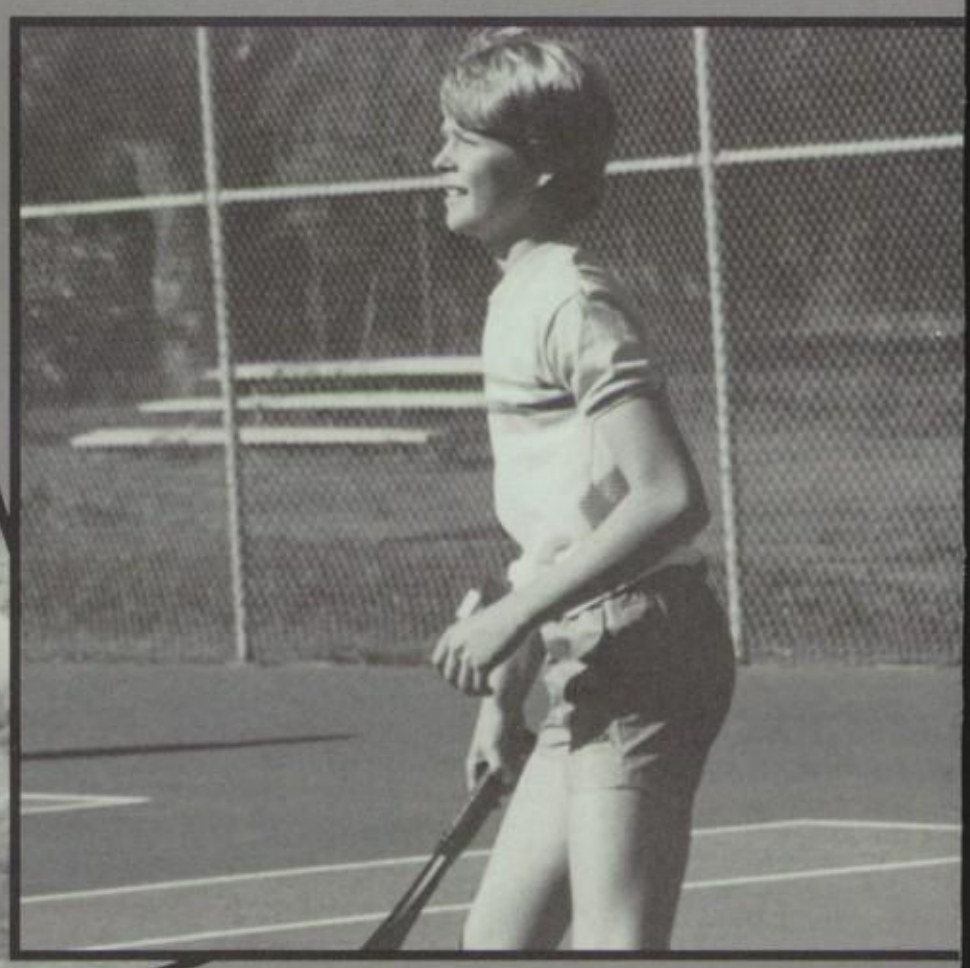
San Marin will miss the contributions of many seniors next year, and will depend heavily on the returning players. Promising returners include, Matt LaBounty, Mike Ellis, Jim Hayes, Mike Irvine, Rich Sarlatte, Shawn Moss, and a host of others.

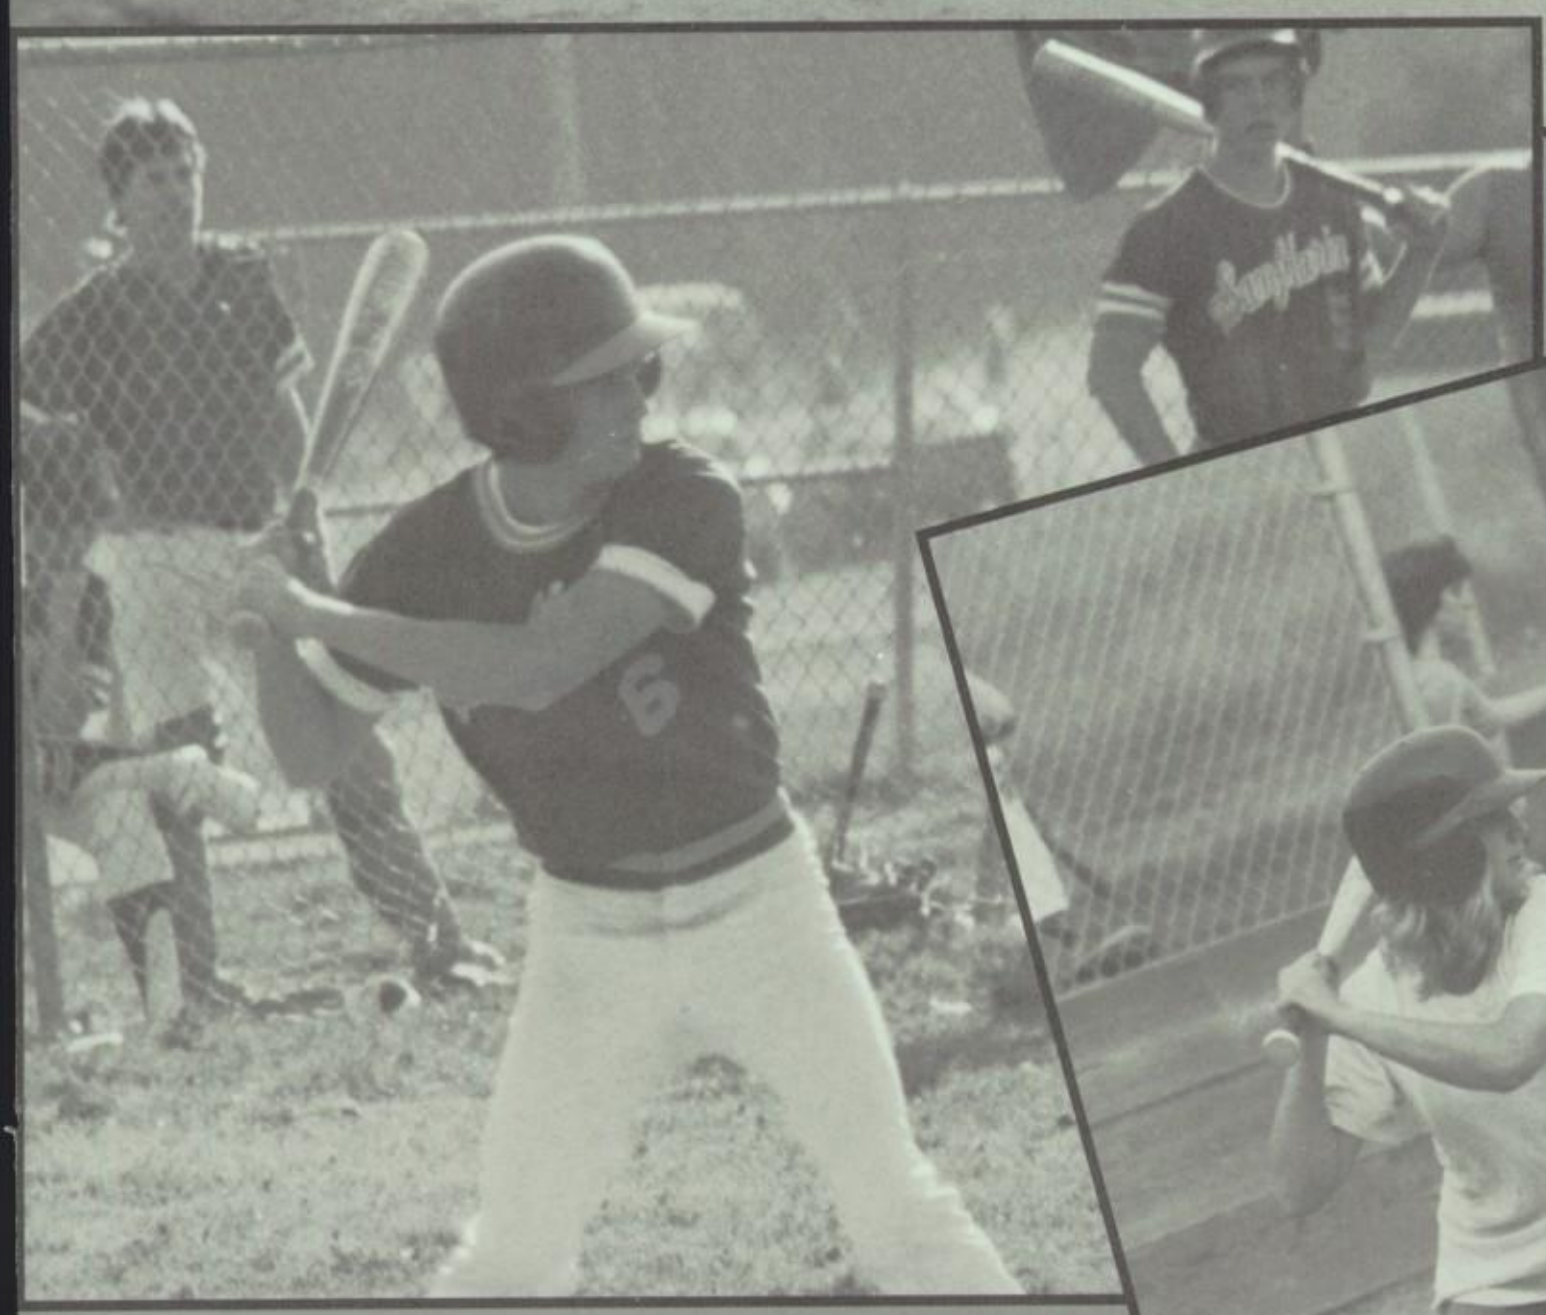
Obviously this season didn't go quite as planned, but credit must be given to the Mustangs for never quitting, and always trying their hardest.

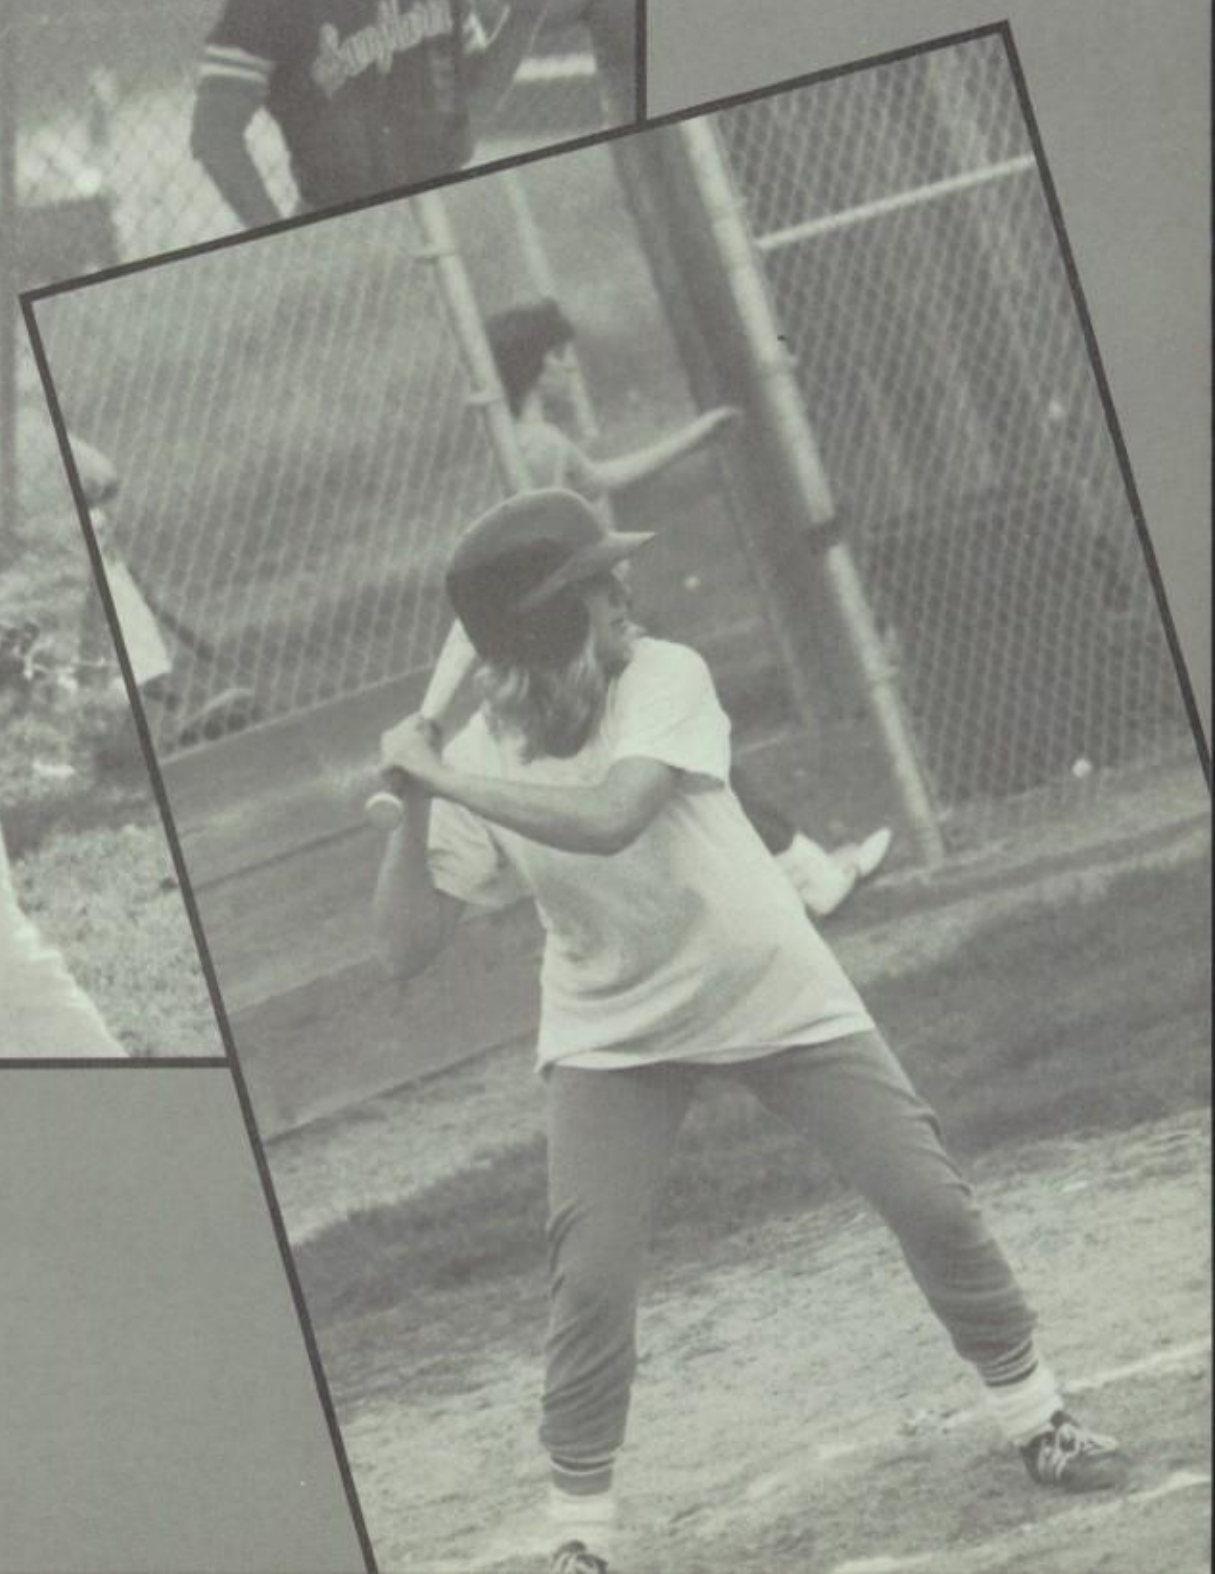
by Shawn Moss











11 IN A ROW

San Marin won the MCAL titles in wrestling for the eleventh straight year. Seven Mustangs won titles in the league wrestling championships and advanced to the North Coast section championships. The varsity title winners include Tam Ho, Nick Touras, Paul Klee, Bryan Pena, Jeff Nicolai, Adam Howard, and Chris Augusto. With such an outstanding group of wrestlers, San Marin can expect coach Jim Naugle to lead his team to victory again next year.

GREAT YEAR FOR TENNIS

THE SAN MARIN GIRLS' TENNIS TEAM ENDED ITS OUTSTANDING SEASON ACHIEVING SECOND PLACE IN THE LEAGUE UNDER THE GUIDANCE OF COACH BRIAN WALKER. SAN MARIN'S SINGLES PLAYERS, INCLUDED MELISSA HEFFERNAN, DANA SHAPIRO, ELIZABETH O'NEAL, MARNE SHAPIRO, AND LISA MURRAY AND SAMANTHA SMITH, WHO CLOSED OUT THE SEASON WITH A 12-2 GAME SCORE. LINDA DAMELE AND JILL STILLING; AND CARA CRINNION AND CYNTHIA BASCARA, DOMINATED THEIR OPPONENTS IN DOUBLES CLOSING THE SEASON WITH A SCORE OF 14-0. AMONG THE RESERVES ADRIENNE KOLOWICH AND ANDREA MATSUI HAD A CLOSING SCORE OF 1-0 AND JAMEE VIOLA AND HEATHER COOK ENDED WITH A SCORE OF 2-0. THE RETURNING MEMBERS OF THE TEAM ARE FAVORED TO TAKE FIRST PLACE NEXT YEAR.

"THE BOYS HAD A POSSIBILITY TO FINISH AS HIGH AS SECOND PLACE" SAID COACH BRIAN WALKER. THERE WAS SUCH A LARGE TURNOUT FOR THE TEAM THAT COACH WALKER HAD TO MAKE CUTS, SOMETHING HE HASN'T HAD TO DO IN RECENT YEARS. THE TEAM WAS SOLID THROUGH THE SIX SINGLES POSITIONS WITH SENIORS ERIC SODERSTROM AND RANDY LIBBY, JUNIOR DEREK RICHMONG; SOPHOMORES SEAN RAMSEY AND JIM RILEY; AND FRESHMAN TIM PATTERSON. LIBBY WAS BACK FROM A KNEE INJURY THAT KEPT HIM FROM PLAYING LAST YEAR. THE SIX DOUBLES POSITIONS WERE ALSO STRONG. THIS TEAM WAS LOOKING TO BE BETTER THAN LAST YEARS FOURTH PLACE FINISHERS.

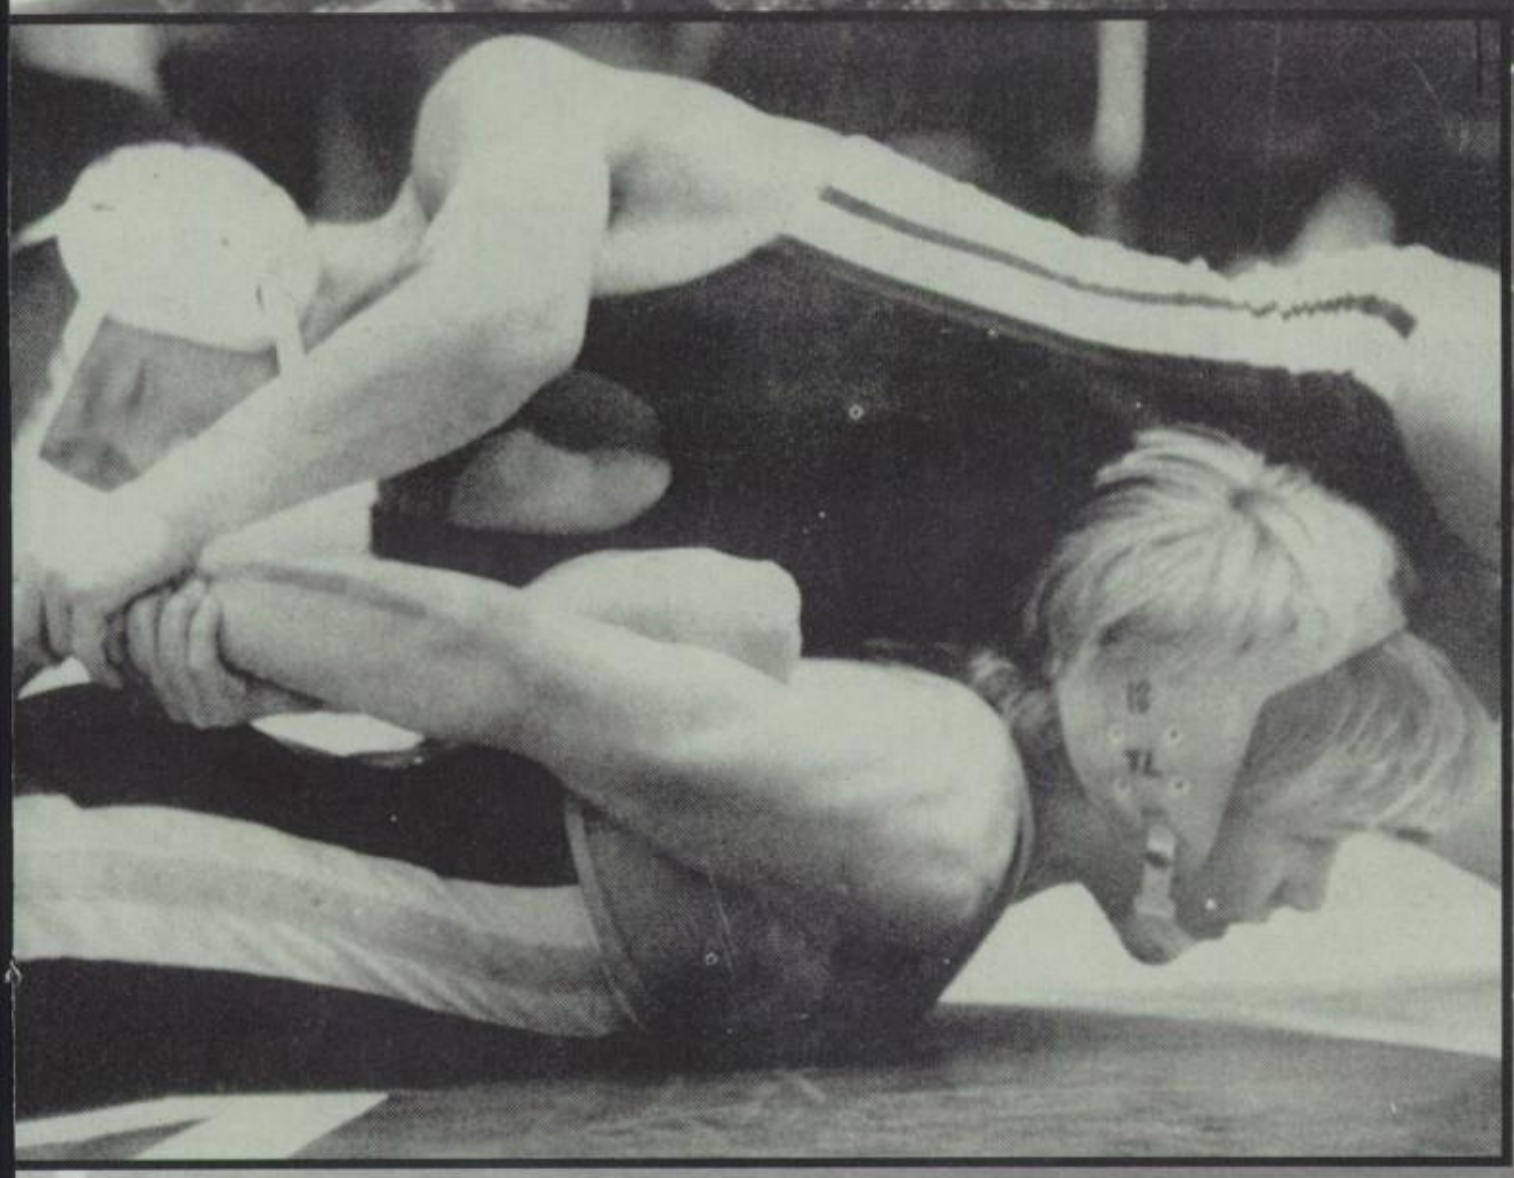
AND MCAL'S BASKETBALL SECOND TEAM, THE JUNIOR VARSITY TEAM HAD A DISAPPOINTING SEASON, FINISHING WITH A [illegible] RECORD. THEY WON THEIR ONLY GAME AGAINST [illegible] SCHOOL. THE FROSH TEAM FINISHED THE SEASON AS CHAMPIONS WITH DRAKE WITH AN 11-3 RECORD. STEVE CAROLAN, CHIH NGUYEN, AND MARK STEPHENS WERE STAND OUT PLAYERS IN MCAL FROSH BASKETBALL. THE FUTURE OF SAN MARIN'S TEAMS LOOKS PROMISING.

THE GIRLS VARSITY BASKETBALL TEAM HAD A SLOW START BUT MANAGED TO WIN GAMES AGAINST MARIN CATHOLIC AND PAIS HIGH SCHOOLS. KRISTIN NOLAN RECEIVED HONORABLE MENTION FOR ALL-LEAGUE. BOTH THE JUNIOR VARSITY AND FROSH TEAMS CAME IN FIFTH PLACE WITH 6-6 AND 5-7 MCAL RECORDS, RESPECTIVELY. THIS YEAR'S TEAMS WERE CHEERED ON BY SAN MARIN'S STUDENTS, WAVING TOWELS AND HEAVING CONFETTI.



SOCCER GETS BOOST

THIS YEAR'S GIRLS SOCCER TEAMS HAVE BEEN GIVEN A BOOST BY SOME NEW FRESHMEN BLOOD. SOCCER HAS BEEN RISING IN POPULARITY OVER THE PAST YEARS, AND WITH COACHES LIKE TERRY DONAHOE (VARSITY) AND DEWEY ROBERTS (FROSH SOPH) SOCCER WILL BE LOVED EVEN MORE. PRACTICE IN THE EARLY SPRING SEASON WAS OFTEN CANCELLED DUE TO THE EXCESS RAIN AND FLOODING, BUT AS SOON AS THEY WERE ABLE TO THE TEAMS WERE OUT ON THE FIELD KICKING AROUND THE MUDDY SOCCERBALL. ALTHOUGH THE TEAMS WERE COMPETITIVE, THEY WERE MAINLY THERE TO HAVE FUN. THROUGH INJURIES AND LOST GAMES, THE TEAMS WENT THROUGH WITH SMILES ON THEIR FACES. ALTHOUGH THEY MAY NOT HAVE WON ALL THEIR GAMES, THEY KEPT THEIR CHINS UP AND DISPLAYED THAT DEDICATED SAN MARIN SPIRIT.

SPLASH INTO SPRING

SAN MARINS SWIMMING AND DIVING TEAMS HAVE HAD THE BIGGEST TURNOUTS EVER. THEY HAD ABOUT 60 KIDS JOIN. ONE THING COACHES JEAN HALEY AND ROCK MORGAN NOTICED WAS THAT THE MORE EXPERIENCED SWIMMERS GAVE POINTERS AND HELPED OUT THE BEGINNERS. THE MAJORITY OF THE TEAMS WERE SOPHOMORES AND JUNIORS. PUSHED ON BY RETURNING EXCELLENT SWIMMERS LIKE KRISTIN KUHLMAN AND JEAN ANN LOCKHART, THE YOUNGER LESS EXPERIENCED SWIMMERS WORKED HARD TO FIND THEIR SPOT ON THE TEAM. THE DIVERS ALSO HAD TO WORK HARD. THE COACHES ALSO NOTED THAT SINCE PRACTICE WAS AT NOVATO HIGH, MANY SWIMMERS AND DIVERS HELPED EACH OTHER GET TO PRACTICE. TWO UNDEFEATED TITLES IN SWIMMING FROM 1984 AND 1985 GAVE THE TEAM SOMETHING TO WORK FOR, AND THEY PROVED IN THE PAST THAT PRACTICE DOES PAY OFF.

YEARBOOK 76

SO THIS PERIOD OF TIME HAS COME TO AN END. MANY THINGS HAVE HAPPENED THIS YEAR THAT WILL BE REMEMBERED THROUGHOUT OUR LIVES: HOMECOMING, SPIRIT WEEK, TESTS, DATES, DANCES, SENIOR BALL, AND GRADUATION. IT'S BEEN A YEAR FULL OF SPECIAL MEMORIES. SOME GOOD AND SOME BAD. SOME OF US WILL BE BACK TO BE PART OF A NEW SCHOOL YEAR WHILE OTHERS WILL GO ON TO DIFFERENT ENDEAVORS. NO MATTER WHERE WE GO OR WHAT WE DO, SAN MARIN WILL NEVER BE LEFT BEHIND. IT WILL ALWAYS BE REMEMBERED AS A SPECIAL TIME IN OUR LIVES.
